

Holiday Storage Labels Printables

Scroll down to get your storage labels! There are 6 different designs in different colour options available to choose from. Print them all, or pick and choose your favourites.

The labels are 6' X 4' and are designed for larger storage containers and bins.

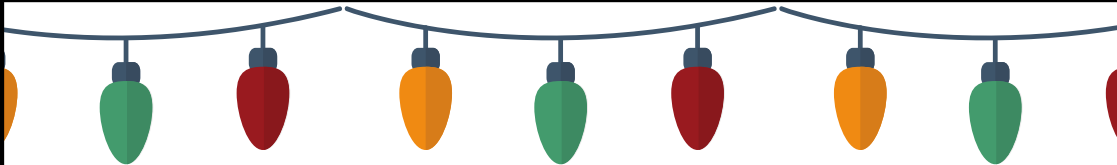

Printing Option 1:

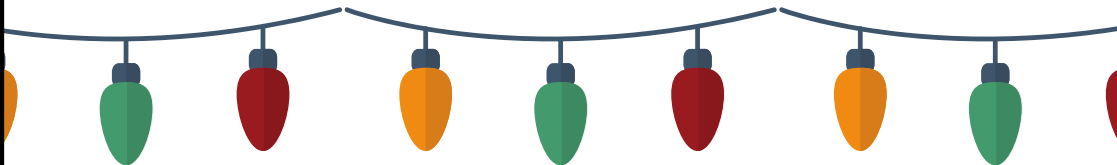

You can print these on regular paper or card stock and attach to the bin or container with double sided tape or mini velcro fasteners.

Printing Option 2:

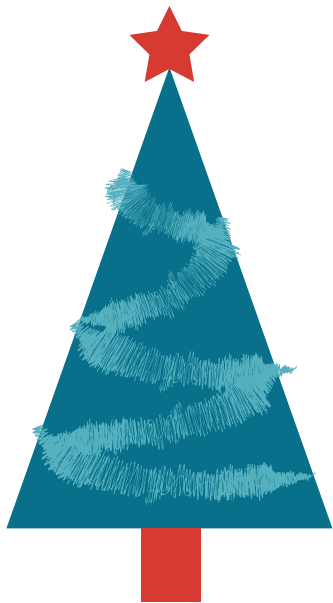

You can print these on clear printer labels and stick them right on the bin or container. These can be found at most office supply stores and online.

Happy Organizing!

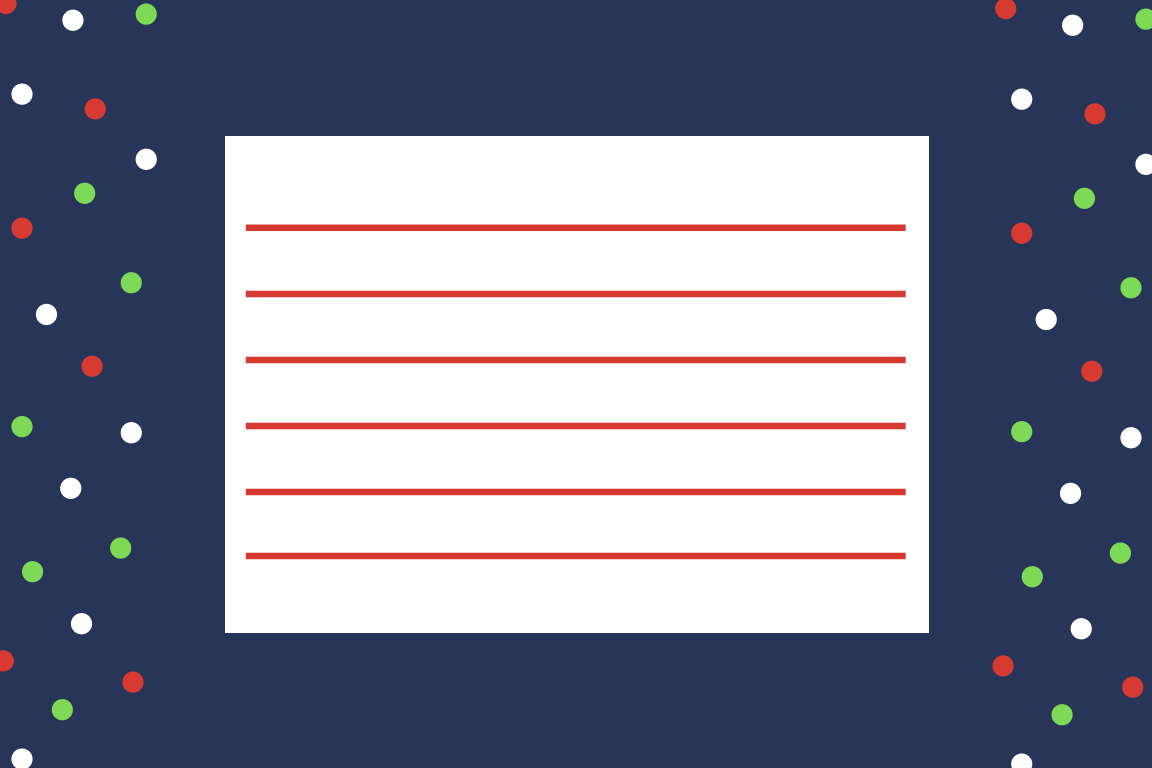

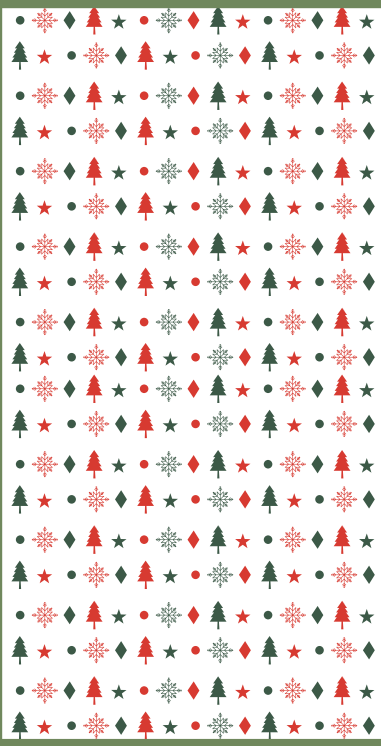

A large white rectangular area in the center of the page, containing six horizontal red lines for writing.

A series of ten horizontal lines for writing, spanning the right half of the page. The lines are evenly spaced and extend from the center of the page to the right edge.
