

# Storage Label Printables

Scroll down to get your storage labels! There are 6 different designs to choose from. Print them all, or pick and choose your favourites.

The labels are 6' X 4' and are designed for larger storage containers and bins.

## Printing Option 1:

You can print these on regular paper or card stock and attach to the bin or container with double sided tape or mini velcro fasteners.

## Printing Option 2:

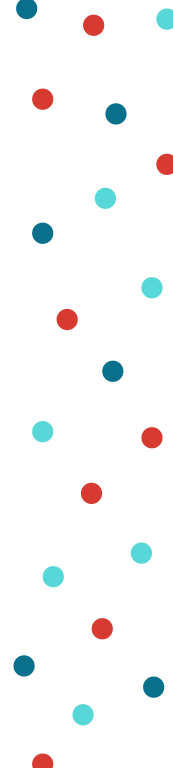

You can print these on clear printer labels and stick them right on the bin or container. These can be found at most office supply stores and online.

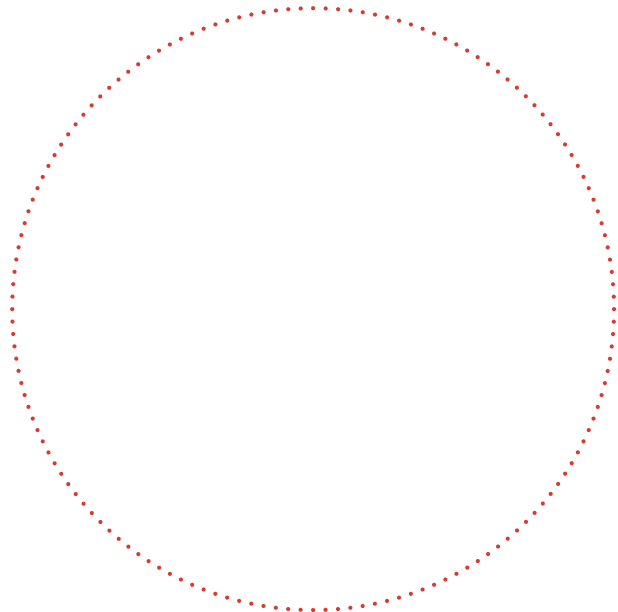

Happy Organizing!

The background of the slide is a repeating pattern of teal chevrons. The chevrons are arranged in a staggered grid, with some pointing up and some pointing down. The colors range from a light, muted teal to a darker, more saturated teal.
